(My) First Look at HLT Rates

Leonard Apanasevich

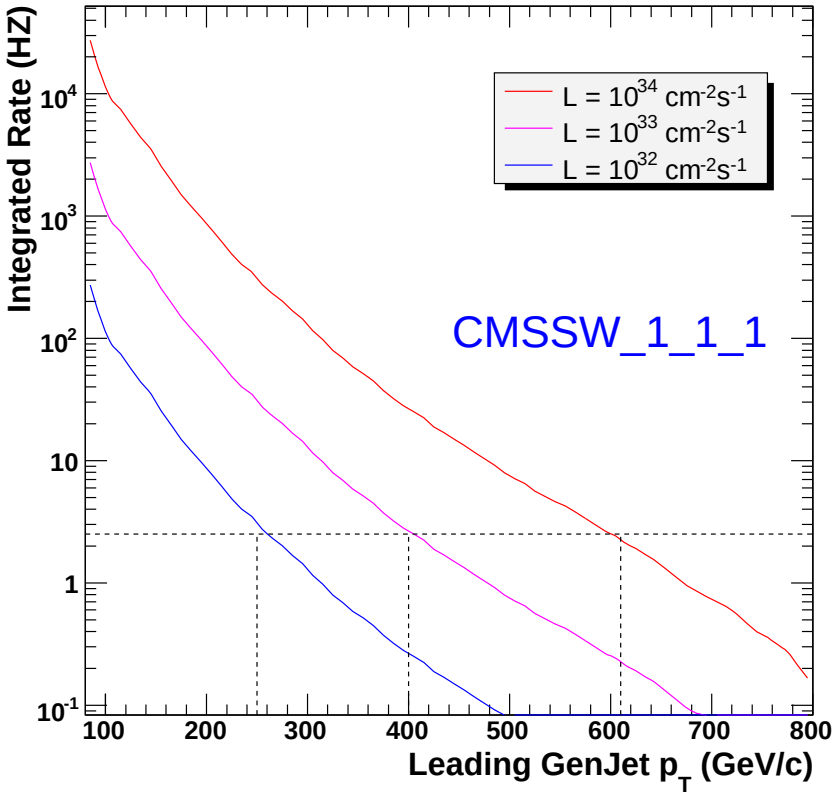
University of Illinois at Chicago

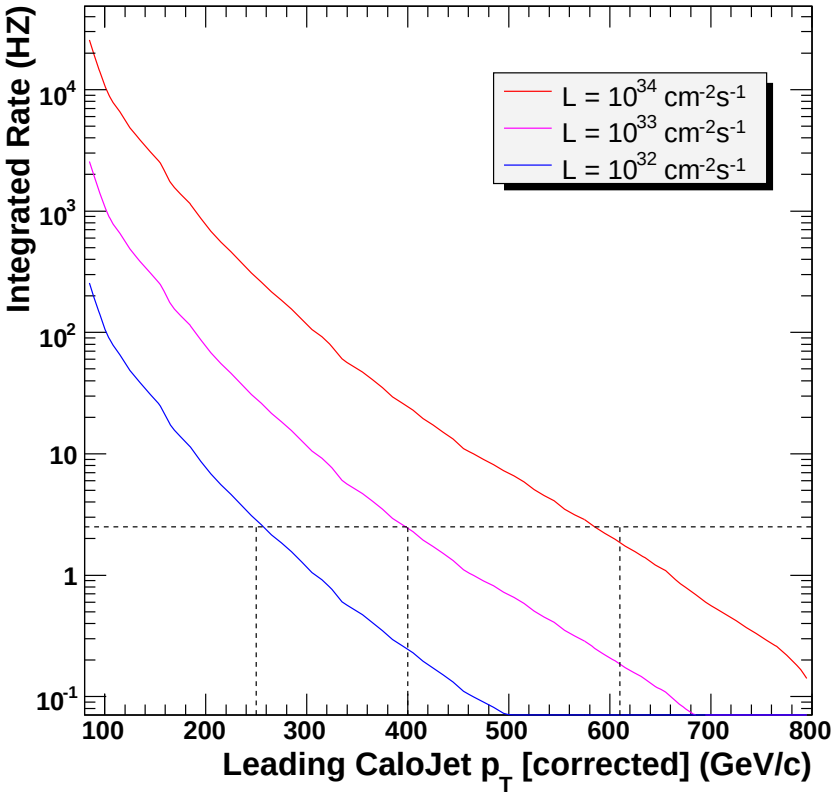
apana@fnal.gov

HLT Single Jet Rates

- HLT Single Jet Rates
- Level 1 Studies
- Fake Jet Rates

See Rob and Selda's Trigger note for corresponding ORCA results





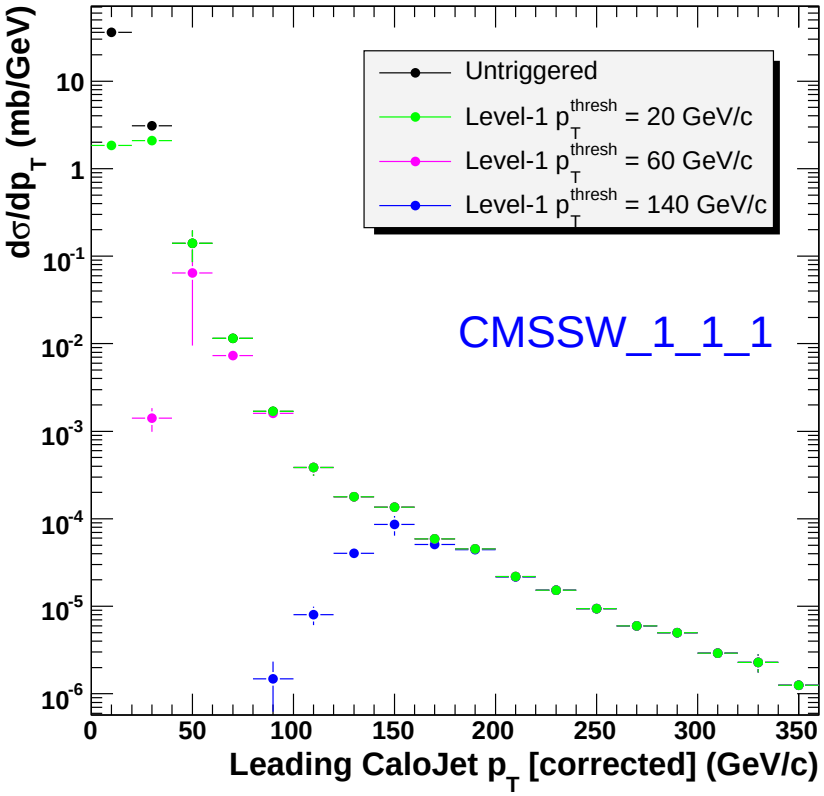
Dotted lines show thresholds that give a 2.5 Hz HLT rate

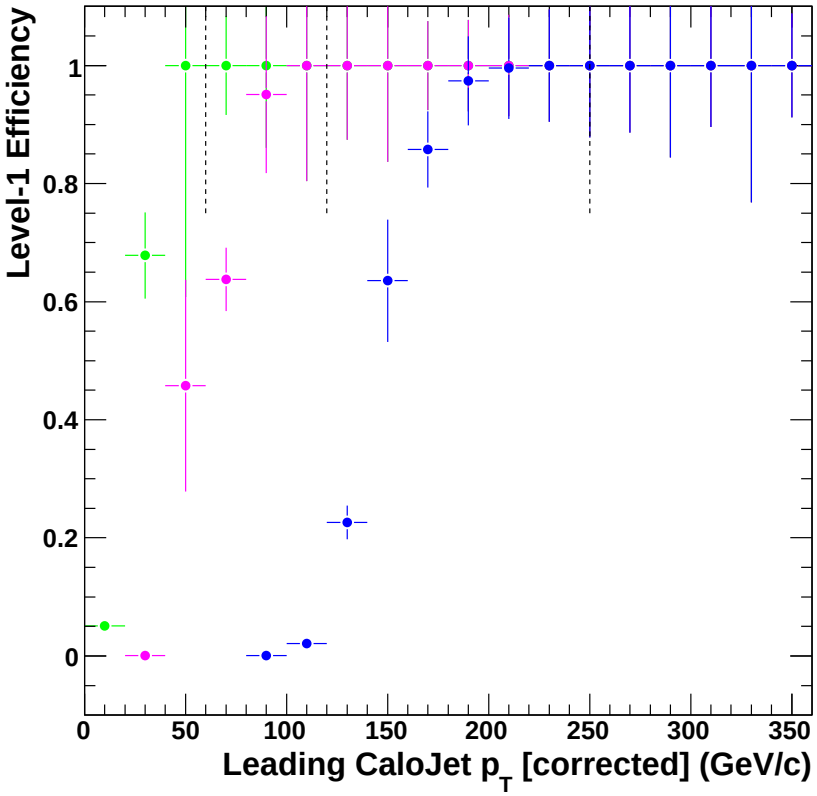
Jets use iterative cone algorithm with $R = 0.5$

Level 1 Studies

- HLT Single Jet Rates
- Level 1 Studies
- Fake Jet Rates

See Rob and Selda's Trigger note for corresponding ORCA results



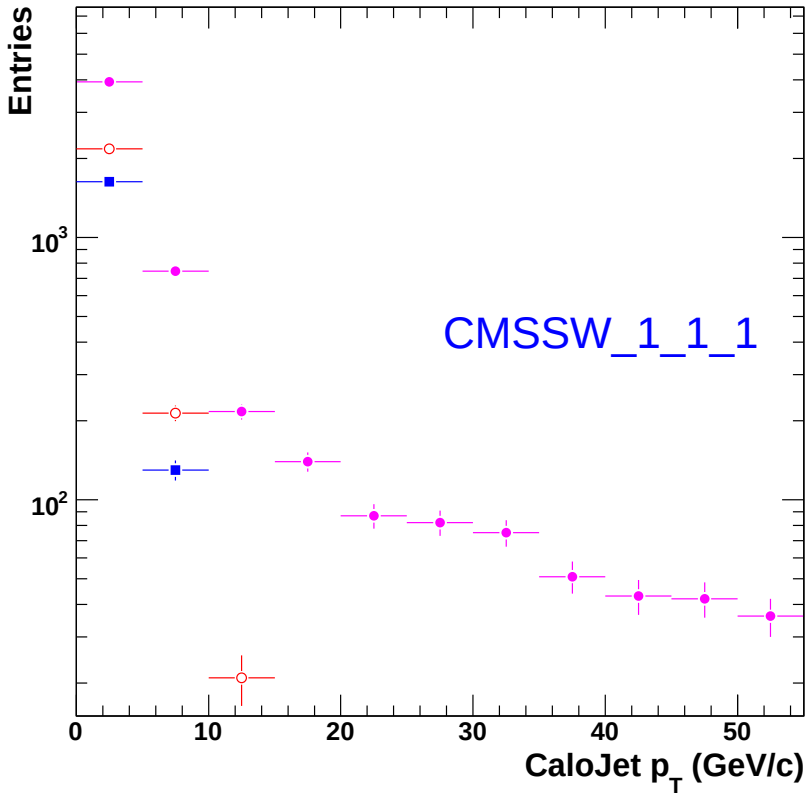


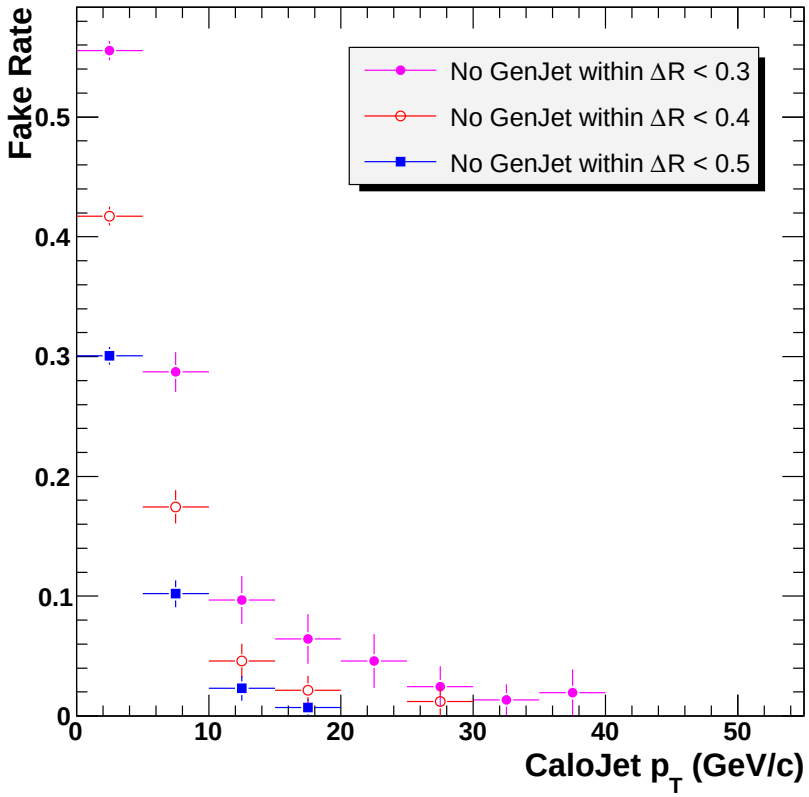
L1 output based upon MC Truth information

Jets use iterative cone algorithm with $R = 0.5$

Fake Jet Rates

- HLT Single Jet Rates
- Level 1 Studies
- Fake Jet Rates





Jets use iterative cone algorithm with $R = 0.5$
