

## **Regional Household Hazardous Waste Facility**

### **A Guide for Safe Disposal**

### **Drop-off Facility**

---

Household hazardous waste items may be safely disposed of at the city's drop-off facility, located at Fire Station No. 4, at the corner of Route 59 and Brookdale Road. The facility is open on Saturdays and Sundays from 9 a.m. to 2 p.m., excluding holidays. These are the only hours the following materials will be accepted:

- Oil-based paint, stain, varnish and solvents
- Auto fluids (oil, antifreeze, etc.)
- Aerosol cans
- Household cleaners and pool chemicals
- Mercury
- Propane tank (20 lb.)
- Poison, pesticides and insecticides
- Flammables
- Household batteries (including automotive and sump pump batteries)
- Sealed fluorescent light bulbs and tubes
- Hobby chemicals and unknowns
- Expired and unused prescription medications

Latex paint, smoke detectors, peanut oil, fire extinguishers and ammunition cannot be accepted. In order to dispose of latex paint in regular trash, the paint must be hardened. To purchase paint hardener, visit your local hardware store.

Call the Naperville Department of Public Works at (630) 420-6095 for other disposal options.

No business waste accepted.

To safely transport hazardous materials, make sure containers are securely sealed. Materials should be left in their original containers with a legible label. Do not mix chemicals together. Place containers in a box lined with plastic and a layer of kitty litter as protection against a spill or leak. Transport items in the trunk of your car. When you arrive at the drop-off location, please stay in your vehicle. You will need to provide the technician with the county you live in.
