Dear Mr. Nguyen:

This is in reference to your quotation request for "Feed-Thru Tubes and Collars" identical to what we furnished to the University of Texas.

The pricing is \$1.05 per set, and we can ship within 2 to 3 weeks following receipt of your order. A mold setup charge of \$150,000 will apply to each production order, with a minimum of 1,750 sets per production order.

Very truly yours,

ADVANCE TOOL AND DIE, DIV.
